Product: *Magic: The Gathering*® *Anthologies* Box Set

Release Date: November 9, 1998

Price: \$24.99 for the complete box set

Features: Celebrating the fifth-year anniversary of the *Magic: The Gathering* trading card game, Wizards of the Coast Inc. brings avid TCG enthusiasts the ideal gift for this holiday season: the *Anthologies* box set. This premier product showcases unique *Magic*® decks and a collection of cards from every set since the game's introduction in 1993. With more than 120 white-bordered cards comprising the two individually themed preconstructed decks in the set, *Anthologies* offers five special *Unglued*™ token-creature cards for players' convenience. Also included is a full-color, 64-page perfect-bound book, illustrated with popular *Magic* artwork. Complete with an editorial from *Magic* creator Richard Garfield, the publication outlines the history and strategy behind the world-famous *Magic: The Gathering* game.

Packaging: The *Anthologies* box set is presented in an artistically designed carrying case that includes original artwork highlighting a thrilling battle scene with the Serra Angel. Compact and sturdy, this box is small enough to fit nicely in a backpack, yet large enough to securely hold up to five 60-card decks or 350 cards.

Backstory: Fans will be the first to experience *Magic* history with the new *Anthologies* box set. The legendary journey through the world of *Magic* begins with cards from the highly successful Alpha set and follows the history through each successive release up until and including the *Urza's Saga*™ set. Players will discover an entirely new realm of competition with the themed decks, designed specifically to play against each other.
