### [MicroProse](#)

- [Magic: The Gathering for the PC](#), based on the internationally bestselling trading card game of the same name from Wizards of the Coast, Inc., is now an interactive computer game. Match your **Magic** decks against the computer in the Duel at any time. Create your own decks using the Deck Builder and fine tune your strategies in the Duel. Travel through magical Shandalar, a strategy card game environment that recreates the **Magic: The Gathering** card game experience on the PC. **Magic** for the PC game features cards from *Fourth Edition* and twenty-three

powerful, out-of-print cards like Black Lotus. Also, play twelve never-before-seen cards from the *Astral Set*<sup>™</sup>, exclusive to the PC game. A multimedia tutorial introduces new players to the game with the help of video and graphics.

- [Magic: The Gathering--\*Spells of the Ancients\*](#)<sup>™</sup> -- the magic continues! The highly successful PC version of **Magic: The Gathering**, the most popular strategy card game of all time, has just gotten better! *Spells of the Ancients* is the first expansion for the PC and includes some of the hottest, most sought-after **Magic** cards. Play over 130 cards from the rare, early expansions of *Unlimited*, *Antiquities*, and *Arabian Nights*. And use the Sealed Deck Generator to experience the thrill of opening a pack of early-release **Magic** cards, testing your deck-building skills, then playing your deck against the computer AI in a tournament!
- The [Magic: The Gathering--\*ManaLink\*](#)<sup>™</sup> is the FREE multiplayer software update for the **Magic: The Gathering** for the PC that enables **Magic** players to duel head-to-head over the Internet. With *ManaLink*, **Magic** players can easily find challenging opponents to play a hand of **Magic** with, twenty-four hours a day, seven days a week, from all over the world. Combined with the online *GatheringNet*<sup>™</sup> service, *ManaLink* creates a complete multiplayer online system for **Magic** head-to-head play, player matching, communication, and information sharing over the Internet.
- The [Magic: The Gathering--\*Duels of the Planeswalkers\*](#)<sup>™</sup> Special Edition includes the original **Magic: The Gathering** PC game, the *ManaLink* multiplayer module that allows you to play **Magic** FREE over the Internet, and a NEW expansion for the PC that contains over eighty new cards from the *Legends* and *The Dark* card sets. Also included are feature enhancements, such as new interface screens for greater ease of use, an updated deck builder to handle the new cards, and updated help files.
