*Sideboard Staff*

How would you like a chance to win Crovax's mighty axe? Beginning February 14, Wizards of the Coast and *TopDeck*<sup>™</sup> magazine give you the opportunity to do just that. Two characters will bite the dust in the *Nemesis*<sup>™</sup> novel, which is based on the *Magic: The Gathering*<sup>®</sup>-*Nemesis* expansion. All you need to do is correctly identify the two victims and you could win Crovax's axe, a one-of-a-kind reproduction cast in metal and wood-not to mention loads of *Nemesis* cards. Who could ask for more?
