

# Question Mark

## ROUND 14 THEME: RED CARDS

**Players Still In Contention: 81**

[What are the rules?](#)

This round is dedicated to the color of passion and emotion. To seizing the day and blowing up anything that stands in your way. Yes, I'm talking about the home for anarchy: red.

## DAY 8: WEDNESDAY, NOVEMBER 2 (POSTED NOVEMBER 1)

**Yesterday's Daily Winner: Mike Hayner**

The daily winner receives a random promotional card. Any player can be a daily winner, regardless of whether they are still in contention for this round's grand prize.

Players who are not in contention for this round's grand prize should email [trivia@wizards.com](mailto:trivia@wizards.com) to answer today's question.

## TODAY'S QUESTION

**What red creature enchantment originally could be played on a Lord of the Pit but not a Force of Nature?**

This question must be answered by **Thursday, November 2, 4:00 pm PST.**

## YESTERDAY'S QUESTION WITH ANSWER

**What two red cards had cheaper mana costs in alpha than in beta?**

Orcish Artillery and Orcish Oriflamme were both costed at 1R in alpha. The Artillery later changed to 1RR while the Oriflamme became 3R.

## PLAYERS STILL IN CONTENTION

**The following players answered yesterday's question correctly, and therefore are still in contention for this round's grand prize and may attempt to answer today's question by emailing [qmark@wizards.com](mailto:qmark@wizards.com)**
