

## ROUND 16: movie titles

**Day 23:** Thursday, May 31 (Posted May 30)

**Players Still In Contention:** 2 (previously 2)

[What are the rules?](#)

This round all the answers are cards that are both movie titles and **Magic** cards. Don't worry. The trivia will be about the **Magic** cards and not the movies. Remember that cards that match the question but do not have a movie title name are not correct.

## yesterday's daily winner

The daily winner receives a random promotional card. Any player can be a daily winner, regardless of whether they are still in contention for this round's grand prize. Players who are not in contention for this round's grand prize should email [trivia@wizards.com](mailto:trivia@wizards.com) to answer today's question.

## today's question
