# Connected text

In his [article](#) on Monday, Mark referred to a "cool little trick" that involved the flavor text of **Awakening**. Well, here it is.

The flavor text from **Awakening** ends with the word "Charge," which is also the first word in the flavor text for another **Stronghold** card, **Primal Rage**. On purpose? Of course!

**Awakening's** text is the tail end of a rallying speech **Eladamri** is making to the elves and Vec before they storm the **Stronghold**... and **Primal Rage** shows the army responding to Eladamri's orders. These two cards are the only instance of connected flavor text linked by a common word.

*"There are times when destiny calls forth a people and demands an action. Now is the time. We are the people. This is our action. Charge!" A great cry went out, and countless elves and Vec soldiers charged up the mountain. Their fury and passion hid the fact that they were horribly outnumbered.*
