Movie Legends

Magic Arcana
 Tuesday, July 2, 2002

Anthony's [column](#) today is about the "Backdraft" format, which reminded us of the *Legends* card *Backdraft*, which reminded us of the movie *Backdraft*, which reminded us that *Legends* has a ton of cards that share names with movies. Among them: *Field of Dreams*, *Cocoon*, *The Abyss*, *Raging Bull*, and, of course, *Backdraft*.

We figured the number of card/movie pairs to be around 30, but Bob Flaminio did much more research than we did -- he has the number at 45 for just *Legends* alone! You can see Bob's complete list of **Magic** movie names [here](#).
