The people have spoken, but not as unanimously as we like, so its time for a run-off to pick Mr. Babycake's illustrator. The top three vote getters (in alphabetical order) are:

Matt Cavotta

Alpha Kavu
Planeshift

Scandalmonger
Mercadian Masques

Questing Phelddagrif
Planeshift

Jim Nelson

Fungal Shambler
Apocalypse

Iridescent Drake
Urza's Destiny

Bellowing Fiend
Tempest

Mark Tedin

Lord of the Pit
Alpha

Leviathan
The Dark

Phyrexian Colossus
Urza's Saga

Whoever of these three artists gets the most votes in the run-off will have the honor of illustrating the first ever (but not last) "You Make the Card". The deadline for this vote is midnight EDT, Sunday, July 21st. Happy voting!
