Mark Tedin, the lucky artist selected to illustrate Mr. Babycakes for "You Make The Card," spent the last week in Sydney, Australia, at the Magic World Championships. Have a look, then [vote](#) for your favorite. (You may need to [register](#) in order to vote.) Mark was even kind enough to write a few words on each one.

### Sketch #1

### Sketch #2

This vote runs until midnight Sunday night, as Mark will need to get cracking soon on the actual painting.
