Well, the votes are in and no one flavor text managed to run off with the victory. This means that the top three vote-getters will have a runoff to see what [Forgotten Ancient](#)'s flavor text will be. The options are: (in alphabetical order)

- "If a tree falls in the forest, I hear it."
- Its blood is life, its body is growth.
- The grass is meaner on the other side.

The deadline for the run-off is midnight (EDT), Sunday, October 13th, and afterwards we'll do a wrap-up of the process.

We have preliminary plans to do another "[You Make the Card](#)" in the near future, so if you enjoyed this process, join us again for the encore! If you haven't participated yet in the creation of [Forgotten Ancient](#), you still can! I highly encourage you to cast a vote.
