"About Face" - by Mark L. Gottlieb

You're playing British Prime Minister Tony Blair in a game following an *Onslaught* two-person draft. This turn, Tony drew and played a **Mistform Skyreaver**. It is now Tony's combat phase, and he's attacking you with a **Slipstream Eel**. You have nothing but a face-down creature in play and a **Biorhythm** in your hand. You have only 2 life left, while Tony is at a robust 17. Thanks to an earlier **Information Dealer**, you know that the top card of your library is a swamp. But don't be discouraged by the situation--you're going to win the game on your next turn! **Figure out what your face-down card must be.**
