Sketches: Krosan Colossus

Magic Arcana
Tuesday, November 19, 2002

This week's "Sketches" looks at the biggest Beast in *Onslaught*, **Krosan Colossus** by Kev Walker.

1. Art Description

These are the instructions given to the artist:

"Location: Krosan Forest

Action: giant bipedal Beast towering over the Krosan forest. It uses its bonespur claws to scoop up a handful of the forest to munch on."

2. Sketch

This is the preliminary sketch submitted by Kev. The *Onslaught* team noted that the birds in the art would need to be bigger--not to make the Beast look smaller by comparison, but so that they would be visible once the art was shrunk to card size.

3. Final Art

Here is a large version of the final piece.

4. Card

Finally, here is the card as it appears in the set.
