Your favorite cards, Part 2

Magic Arcana
 Thursday, December 5, 2002

Yesterday, we showed the results of one question from our *Seventh Edition* "Godbook" study, specifically "What is your favorite card?"

Today's Arcana looks at the results of that same question from six other such studies, encompassing the sets from *Mercadian Masques* through *Apocalypse*. These studies were taken about two months into each set's existence, and the sample was a several hundred person cross-section of **Magic** players.

It is interesting to note that large creatures--specifically Legends--dominate the lists.

Tomorrow's Arcana will look at favorite cards from the *Odyssey* block.
