Magic: The Puzzling

Magic Arcana
Tuesday, December 10, 2002

Below is a fun puzzle from Mark's *Magic: The Puzzling* book.

I Once Cast a Fireball THIS Big

"It's your draw step, and you pick up a Fireball. You only need to do 12 points of damage to win, but that seems irrelevant right now. The real question is: How big of a Fireball are you capable of making? Check your best answer against ours tomorrow to see how you've done."
