Magic Arcana **Wednesday, December 18, 2002**

Not actually *Tempest* cards...

The *Tempest* design team was on fire. They came up with not only all the cards and mechanics in *Tempest*, but so many other interesting ideas that showed up in later sets and blocks. Below are four cards from the first batch of *Tempest* playtesting that were eventually moved into future sets.

See if you can figure out what they became. Click on the pictures to see the printed version of each card.
