# Puzzle answer

As expected, there were multiple answers to [Tuesday's puzzle](#). Some are a little crazier than others. All of the solutions begin with:

1. Tap **Brushland** and two other painlands for
2. Play **Living Wish** and copy it with **Mirari**, leaving in your mana pool.

From there, all that changes are the Wish targets. One of the targets must be used to either fix your mana or gain you life, and the other is used to win the game. Death from mana burn must also be taken into consideration. Here are the ten viable combinations we could find.

Mana or Life	Win Condition
Mountain	Skizzik (played with kicker)
Mountain	Blistering Firecat (played face down and then morphed)
Swamp	Laquatus's Champion
Island	Shifty Doppelganger (activated to put Spiritmonger into play)
Quirion Sentinel	Halam Djinn
Venerable Monk	Blistering Firecat (played face up)
Venerable Monk	Skizzik
Dedicated Martyr	Blistering Firecat (either face up or face down and morphed)
Dedicated Martyr	Skizzik (either with kicker or without)
Dedicated Martyr	Menacing Ogre (with a bid of 2 life)

In the four answers that involve Wishing for a land, the land may be replaced by any of the appropriately colored **Dragon Lairs** from *Planeshift* or *Invasion's Archaeological Dig*.
