Style Guide - Wizards

Magic Arcana
Wednesday, March 19, 2003

Below is one of the sketches from the *Onslaught* Style Guide, which is a document given to artists that worked on the set for reference. This sketch shows a "refugee" Wizard, meaning one that is not involved in the Pit-Fights. This Wizard is very "human" looking, unlike the Wizards in *Legions*. The Wizards in this block's later sets have started "liquifying" as part of the Mirari's influence over the races of Otaria.

BLUE REFUGEE WIZARD

Onslaught cards showing such Wizards include [Ghosthelm Courier](#), [Aphetto Alchemist](#), and [Reminisce](#).
