# Sketches: Planar Guide

*Magic Arcana*  
Thursday, March 20, 2003

This week's "Sketches" looks at Eric Peterson's [Planar Guide](#) from *Legions*.

## 1. Art Description

These are the instructions given to the artist:

"Color: White

Location: Daru Plains

Action: Show a refugee cleric standing in the Daru Plains as others around him in the background appear to be transparent."

[Planar Guide](#) was called "Daru Flickerer" in playtest, due to its ability's family resemblance with the *Urza's Destiny* card [Flicker](#).

## 2. Sketches

Here are two preliminary sketches of "Daru Flickerer" submitted by Eric Peterson.

### RULES

#47501 : [DARU FLICKERER]

RAYS OF  
SUNLIGHT ▷  
AGAINST  
DARK SKY

The art team liked the dramatic sun rays of the top sketch, but they wanted Eric to follow the *Legions* style guide for refugee clerics. According to the style guide, the robes and armor of white-aligned refugee creatures are [fashioned from the reeds of the Daru Plains](#). Also, the art team requested that the Flickerer's eyes be whited out for a less friendly, more serious effect.

### 3. Final Art

Here is a large version of the final piece. The end result is one tough cleric.

## 4. Card

Finally, here is the card as you'll see it in booster packs.
