Non-Dragon Dragon cards

Magic Arcana
Tuesday, April 29, 2003

When fleshing out a Dragon deck, you'll probably want some cheaper cards that aren't Dragons, but still fit the theme.

There have been four artifacts printed in **Magic** that have the word "Dragon" in their titles:

Dragon Engine from Antiquities, *Dragon Mask* from Visions, *Dragon Blood* from Urza's Saga, and *Dragon Arch* from Apocalypse.

Besides those four, the only other tournament-legal card that has the word "Dragon" in its title is *Onslaught's* Dragon Roost.
