Obscure Dragons

If you are interested in building a casual Dragon deck and need more Dragons, the *Portal* (and *Starter*) sets are full of some little-known gems. Here are six Dragons you may not have heard of. No, they are not tournament-legal, but if you're playing just for fun, they can really bring the hurt...

Ebon Dragon
Portal rare
The art on this card, done by [Donato Giancola](#), is one of the most popular pieces from the *Portal* series.

Fire Dragon
Portal rare
Fire Dragon comes with a built-in *Spitting Earth...* and a hefty mana cost.

Cloud Dragon
Portal rare
Cloud Dragon was printed as *Cloud Djinn* in the *Weatherlight* set.

Brimstone Dragon
Portal Second Age rare
Brimstone Dragon is a bigger version of *Volcanic Dragon*, which appeared in *Mirage* and the first *Portal*.

NOVELS

Dissension
Ravnica Cycle, Book III
by Cory Herndon
More fiction at *Inside Wizards*

Zodiac Dragon

Portal Three Kingdoms rare
Zodiac Dragon has a built-in regrowth function like *Squee*, *Goblin Nabob*, but suffers from poor wording. (See today's [Card of the Day](#).)

Thunder Dragon

Starter 1999 rare
Thunder Dragon's comes-into-play ability is devastating; it can wipe out entire weenie decks in one blow.
