Lands of bands

Magic Arcana
 Wednesday, December 3, 2003

So, maybe the cycle of *Legends* lands that grant banding abilities to certain-colored legends aren't exactly the most powerful cards in the game. They're even "hosed" by another banding-related land from that same set -- *Tolaria* -- just in case!

But they are highly flavorful, and they have cool art. Check out some great old-school fantasy art from some unappreciated banding-era cards. Wouldn't your *Adun Oakenshield* feel right at home in one of these places, banding with his buddies *Hunding Gjornersen* and *Ramirez DePietro*?
