## Mirage black text quiz

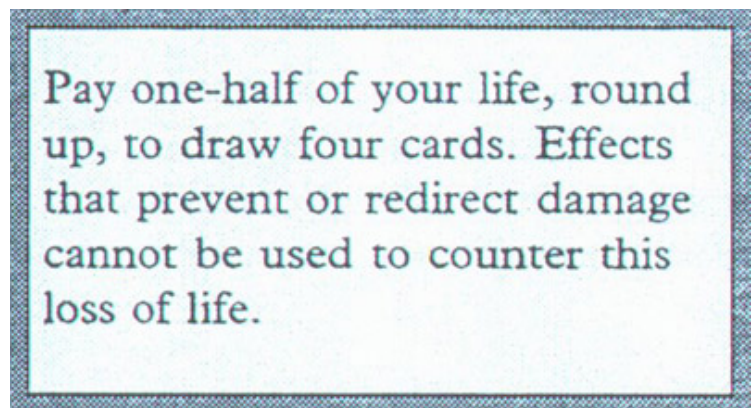

Magic Arcana  
Tuesday, February 3, 2004

Today's **Magic** Arcana takes a trip in the way-back machine to the *Mirage* era of the color black. How many black cards can you name from their rules text alone? To make it a bit more challenging, we'll only provide you with the text boxes from the cards' *playtest* versions, so their wording may not represent exactly what ended up on the card. (To protect the cards' anonymity, any references to the card itself have been blurred out.) Happy guessing! (You may want to keep this [Mirage spoiler list](#) handy!)

(Click each picture below to reveal the name of the card. If you have questions, ask at the [Magic message boards](#).)
