# Wallpaper of the Week: B.F.M. (Big Furry Monster)

*Magic Arcana*  
Friday, February 6, 2004

This week's desktop wallpapers are Douglas Shuler's **B.F.M.** from *Unglued*. This is a special wallpaper designed for people with 16:9 ratio cinema display monitors, or for those with two side-by-side monitors. Enjoy.

For cinema displays:

[1600 pixels wide](#)  
[1400 pixels wide](#)  
[1200 pixels wide](#)

For two monitors (left):

[1024x768 pixels](#)  
[800x600 pixels](#)

For two monitors (right):

## Answers to [Yesterday's Black Trivia Questions](#)

- What black card comes first in the alphabet (in English)? - **Abandon Hope**
- What black card comes last in the alphabet (in English)? - **Zombify**
- What black creature has the highest sum of power/toughness (again, Unglued's B.F.M. aside)? - **Devouring Strossus**
- What black card has the highest converted mana cost (outside of Unglued)? - **Hypnox**
- What is the most common black creature type? - Zombie, by far, with 97 cards. Horror is next with 42, and in third is Minion with 39. Monoblack legends: 21.
- What card has the most creature types of any black creature? - **Balthor, the Defiled** (who is a Zombie Dwarf Legend).
- What black Wall has the highest sum of power/toughness? - Tie between **Wall of Putrid Flesh** and **Wall of Vipers**, which are both 2/4.
- What monoblack Legend has the highest sum of power/toughness? - **Greven II-Vec**.
- What card is the most-reprinted black creature? - Tie between **Bog Wraith** and **Scathe Zombies**, both in 11 sets.
- What card is the most-reprinted black sorcery? - **Raise Dead** (12 sets).
- What card is the most-reprinted black instant? - Depends how you count. If you consider **Dark Ritual** an instant, which it now is according to its Oracle text, then it is the winner with 13 sets. If you stick to the idea that it's sometimes an Interrupt (like in **Beta**) and sometimes a Mana Source (like in **Fifth Edition**), then **Terror** is the big winner, with 11 sets.
- What card is the most-reprinted black enchantment? - **Pestilence** (9 sets including **Battle Royale**).
- What card was the first black card banned from **Magic** tournaments? - **Alpha's** black ante cards were the first cards banned: **Contract from Below**, **Darkpact**, and **Demonic Attorney**. ("Black Lotus" doesn't count!)
- What black card generally has the highest value on the secondary market? - **Juzam Djinn**.

- What black card has the "blackest" art -- meaning, having the most black filling up the card's illustration frame? - This is a bit of a subjective question, but it's probably either [Word of Command](#) or [Demonic Hordes](#)!
