# As seen on Metal Fatigue

*Magic Arcana*  
 Wednesday, February 11, 2004

The art of the *Darksteel* card **Metal Fatigue** features many artifact creatures feeling down in the dumps, having been sapped of their power by the force of the spell. Many *Mirrodin* artifact creatures are recognizable in the art.

The busted artifact creatures include: **Rust Elemental**, **Clockwork Dragon**, and **Clockwork Beetle** - all other artifact creatures illustrated by the artist, Arnie Swekel! The creature in the center is original to **Metal Fatigue**.
