Cycling art mystery

Magic Arcana
Monday, March 22, 2004

Scott M. Fischer illustrated a cycle of cycling cards (that's right, a group of related cards, each of which bears the cycling ability) that all featured a similar woman in the art.

Do you know on what cards this art appears? (Give up? Scroll down to see the answer.)

Answer: They're the cycling of Runes of Protection from *Urza's Saga* (see below).

Note that **Rune of Protection: Artifacts** and **Rune of Protection: Lands** were also illustrated by Scott M. Fischer, and may also feature this same woman in their art! (Well, it's debatable whether those hands on **ROP: Lands** belong to the same woman. But hey, let's call it a 7-card mono-white art cycle, pending any countermanding evidence. Scott, if you're reading, write in and let us know the mystery!)
