Dragons on Echoing Truth

Magic Arcana
Tuesday, April 27, 2004

A simple image can tell a devastating story. **Echoing Truth**, the blue instant in the cycle of Echoing cards, returns a permanent, and all the other permanents in play with the same name, to their owners' hands. What is the most powerful use of **Echoing Truth** you could imagine?

What about returning two enormous Affinity creatures after all the artifacts in play have been removed? Like, say, using it on a pair of **Furnace Dragons**?

If you compare the two images below, you can see that the creatures on Greg Staples' illustration of **Echoing Truth** are, in fact, **Furnace Dragons** (**Furnace Dragon** illustrated by Matthew D. Wilson).
