Dancing Ensouled Scimitar

Magic Arcana
Wednesday, May 26, 2004

Originally printed in *Arabian Nights*, **Dancing Scimitar** hasn't been in print since *Sixth Edition*. So you may not recognize the homage represented by *Fifth Dawn*'s **Ensouled Scimitar**.

The flavor of **Ensouled Scimitar** is that it's an equippable weapon like **Leonin Scimitar**, but with a little mana it becomes animated, flying around and fighting for you like **Dancing Scimitar**! The flavor is reinforced by the fact that the equipped creature gets +1/+5, "adding" **Dancing Scimitar**'s power and toughness to the creature.
