Pincher token art

Magic Arcana
Tuesday, June 1, 2004

Yesterday you read the story of how the four *Fifth Dawn* Stations got their art. The interchangeable mural by Greg Staples and Steve Tappin was a great success.

But the story doesn't end there. The art team liked so much what Steve Tappin did with the little pincher in the art of **Summoning Station**:

...that they commissioned him to do the art for the upcoming Pincher creature token card.

The Pincher token card will be available from the **Magic** Player Rewards program.
