# Shattered Dreams

*Magic Arcana*  
 Thursday, June 3, 2004

**S**hattered Dreams, the *Fifth Dawn* sorcery that lets you "Duess" an artifact from your opponent's hand, is named appropriately. It's like a **Shatter** (artifact removal) that affects the artifact in question while it's still in your opponent's mind (his or her hand).

As seen below, the art of **Shattered Dreams** depicts green-aligned hero **Glissa Sunseeker** traveling through the Mephidross Swamp, and getting hit with mind magic that causes her to drop her sword. And the sword she's carrying is the legendary **Sword of Kaldra**.
