# The Araba: Kamigawa's Crater Plains

Magic Arcana  
Tuesday, August 31, 2004

In the [Champions of Kamigawa](#) storyline, the Kami War has already devastated the plains surrounding Eiganjo Castle. Attacks by the kami have turned the fields surrounding the castle into a battered, pockmarked plain -- not unlike the surface of the moon -- called the Araba.

You can also see hints of the crater plains in art you've already seen on this site. Take a look at the lower left-hand corner of **Yosei, the Morning Star**, the 5/5 dragon kami previewed in [Mark Rosewater's column yesterday](#):
