Wallpaper of the Week: City of Ass

Magic Arcana
 Friday, November 12, 2004

This week's desktop wallpaper is John Avon's **City of Ass** from the upcoming *Unhinged* set. See, it's... a city where... donkeys live... anyway. Enjoy.

Bonus Wallpaper!

Lest we forget -- we still owe you all a little *Crucible of Worlds* action, don't we? It's the second You Make the Card card, it's a Vintage scene wrecking-ball, it's a floor wax... and now Ron Spencer's impressive work is a desktop wallpaper. Voila.
