Tijuana Nights

Want a closer look at the new novel by the master craftsman who brought you *The Cheesehandler*?

Mockup by Unhinged art director Brian Dumas

Well, actually this is a fake novel cover mockup used on display box packaging of *Unhinged*, and on the [Unhinged product page](#). It's really small on the box and product page, though -- now you can read the cover. Sort of.

(There's a back cover for *Tijuana Nights*, too. But we'll let Brian Dumas weigh in on that and a lot more *Unhinged* behind-the-scenes stuff later, a while after the set releases [this weekend](#).)

"Dear Ask Wizards, where can I submit my fanfic sample chapter of *Tijuana Nights*?" Uh, the [message boards](#), I suppose. You do know it's a joke, right?
