The Hook Look of Provoke

Magic Arcana
 Monday, November 29, 2004

Throwback Week isn't all about **Feral Throwback**, but here's an interesting factoid about the provoke ability that beast and its provoking brethren anyhow.

The *Legions* creatures with the provoke ability, including **Feral Throwback**, are tied together with a common visual cue. [All the provoke creatures](#) have a hook element in their art, whether it be a **hooked tail**, **curving hook-horns**, or a **hooked weapon**. The flavor is that the hooks allow the creatures to grapple others and draw them into combat with them.

Enjoy the rest of Throwback Week!
