Teferi's Appearance

Magic Arcana
Wednesday, December 15, 2004

The celebrated and wise planeswalker Teferi made his initial appearance in card names and flavor text way back in *Mirage*, in cards like *Teferi's Imp*, *Teferi's Curse* and *Reality Ripple*. He was referenced lightly during Urza block (*Stern Proctor*, *Disruptive Student*) and once in Masques block (just *Excavation* as far as we can tell), but he didn't show up in earnest in **Magic art** until *Invasion*.

In that set, Teferi was depicted with a characteristic robe, headdress and staff. Check it out:

Teferi's Moat art by rk post

Note how Teferi holds back those bad guys above. Can you tell what group that's supposed to be across the moat? Here's a [hint](#).

You can also see Teferi on *Disrupt* and *Teferi's Response*, among others. (Teferi also made a *puzzle box* once. Look, a Puzzle Week tie-in!)
