Anouncing the *Betrayers of Kamigawa* site!

Conveniently located at www.magicthegathering.com/bok, the site will expand to contain stories about the heroes of the Kamigawa world, wallpapers and screensavers, and an archive of cards previewed on magicthegathering.com.

The First Betrayers Vignette

Ready for the first legend vignette from the *Betrayers* set? Because it's already out. This week's story is "[A Servant's Mission](#)" by Jay Moldenhauer-Salazar. Enjoy!
