Magic Arcana
Monday, January 10, 2005

Magicthegathering.com's [Tournament Center](#) provides you with extensive coverage of **Magic** events all over the world. In addition to play-by-play blog-style reports and individual results, magicthegathering.com brings you live video of high-level **Magic** play as it happens.

But what if you missed the *live* video stream? What if you want to see video from a tournament from a while ago?

You want our [Webcast Video Archive](#).

Check it out. Drown yourself in several gigabytes of **Magic** coverage since early in the 2003-2004 season. Watch the pros pilot their decks to and through top eights of four Pro Tours and a World Championship. The [Webcast Video Archive](#) is required watching for students of the game.
