# Meet the *Betrayers* Update: Iwamori of the Open Fist

With three leaps, Iwamori jumped into the heights of an ancient tree, and his head peeked over the vast green canopy of Jukai. To the west, slouching forward as if it were walking on the treetops, was a metallic figure whose armor shone a dazzling glow in the midday sun. It might have been mistaken for a passing samurai, if most samurai were thirty feet tall.

Ready for the next legend vignette from the *Betrayers* set? This week's story is "[Personal Battles](#)" by Rei Nakazawa. Enjoy!
