In the *Mirrodin* block storyline, Memnarch created the terrifying levelers to help cull the populations of living beings. Major characters such as Glissa, Raksha and Slobad all came face-to-face with the levelers at least once.

No, you'll have to zoom in more than that.

RULES

It's **Slobad, Goblin Tinkerer**, the character who [wakes up Bosh](#). Slobad runs into Memnarch's levelers in the [Mirrodin block novels](#).

Note that the red goo seen through the leveler's dome (check the middle picture above) is the shredded organic material of creatures it has already leveled. Yow.
