# Honden and Myojin

Magic Arcana  
 Thursday, March 24, 2005

Each of the [Honden](#) from *Champions of Kamigawa* is a shrine dedicated to the worship of a powerful, godlike kami. The name of each Honden corresponds to the name of a legendary spirit -- [Myojin](#) -- in the set.

But there are correspondences in the art as well. Compare Kev Walker's art of the Myojin to the Honden below. Note how the shrines are mostly ruined; that's an indication of the abandonment the shrines faced during the Kami War, when the spirit and mortal worlds turned on one another.
