# Jedit Ojanen Comic II

Magic Arcana  
Wednesday, April 6, 2005

Last week we saw some scans from the 1996 comic, "Legend of Jedit Ojanen," issue 1 of 2. The Legends-era villain Johan had summoned a pack of nasty Beasts of Bogardan to shred Jedit to ribbons.

The conclusion comes in issue 2:

## Jedit Ojanen comic 2 of 2

Unsurprisingly, our hero Jedit takes out those pro-red beasts (which are probably a 4/4 due to Jedit's being a white permanent, but then, hey, Jedit is 5/5). In fact, it's a rather gory scene that leaves the defeated beasts' heads at their master's feet:

## Jedit defeats the Beasts of Bogardan

The evil Johan escapes that battle -- temporarily. Jedit Ojanen goes on to aid the Desert Nomads and seeks reinforcements against Lord Johan in the form of a tribe of Cat Warriors. But Johan releases a skyful of Granite Gargoyles! Does Jedit and his new crew have what it takes to defeat the villainous Lord Johan?

Track down a copy of "Legend of Jedit Ojanen" to find out for sure, but we'll say this: Lord Johan has a lot to learn about a group of Desert Nomads armed with an Invisibility spell.
