Saviors of Kamigawa Booster Images

Magic Arcana
 Thursday, April 28, 2005

Last week we saw a wide shot of all the *Saviors of Kamigawa* products that will be available on June 3, and a close-up shot of the booster display packaging.

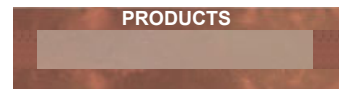

Today we take a closer look at the booster art. Check it out.

And lest you think all the art is of scary monsters (you'll understand what's happened in the storyline once you see the set at the [prerelease](#)), check this guy out. He appears on the *Saviors* theme deck display packaging. *Click for a larger image.*
