Oyobi Spirit Token Art

Magic Arcana
 Tuesday, May 3, 2005

You may have seen **Oyobi, Who Split the Heavens** spitting out 3/3 flying spirits in *Magic Online*. There's original art for those spirit tokens that you can see in the game.

The art for those 3/3 spirits was created by [Matt Thompson](#). Would you like to see the full art in its hi-res glory?

Thought you might.

If you look closely at the art of **Oyobi, Who Split the Heavens** by [Chris Moeller](#), you can see the soaring, birdlike spirits that served as the basis for Matt's design.
