# Yawgmoth's Demon

Magic Arcana  
 Tuesday, July 26, 2005

Remember the symbol of Yawgmoth? We mentioned in an [earlier Arcana](#) how it crops up in the art of cards like *Order of Yawgmoth* and *Yawgmoth's Edict*, and looks a little something like this:

**Symbol of  
Phyrexia**

*Yawgmoth Demon* follows suit in its Pete Venters-illustrated *Ninth Edition* printing. Check it out.

Its head bears the mark of Yawgmoth, and its staff has the circle-and-bar design as well. But of course, you don't have to be Yawgmoth to order this artifact-hungry demon around. Just open a pack of *Ninth*.
