# Ravnica Preview Sketches

Magic Arcana  
 Wednesday, September 7, 2005

You've only seen four *Ravnica: City of Guilds* preview cards this week, and already we're clamoring to show you their cool full-size art and the sketches that went into their creation.

On Monday you saw [Agrus Kos, Wojek Veteran](#), a heroic investigator from the red-white Boros Legion. Here's the art behind it, by Donato Giancola.

Last but not least, today's preview is of [Sunhome, Fortress of the Legion](#), a mighty nonbasic land that blesses your Boros or any other troops with double strike. Here's its art by Martina Pilcerova.

Expect more *Ravnica* card and art previews over the next two and a half weeks. Of course, you'll love the art of the special *Ravnica: City of Guilds* [prerelease card](#) -- but you'll have to be a bit patient for that.
