Ravnica TV ads on [adult swim]

Magic Arcana
Monday, September 12, 2005

If you've ever stayed up late and aimed your bleary eyeballs at several hours of animated randomness -- and our market research shows that it's a good bet that you have -- then you've probably seen Adult Swim. It's a block of late-night animation programming that takes over Cartoon Network after the kiddies have gone to bed.

And for the next two weeks, Adult Swim is airing *Ravnica* prerelease ads.

Gotta get up early? Got no TiVo or an old VCR? Got (*gasp*) no access to basic cable? No worries. Just head to PlayRavnica.com to see the ads for yourself. They rotate every day.

And to make us *really* happy, just go to the dang [prerelease](#). And keep watching cartoons, you insomniac.
