The creative minds of the **Magic: The Gathering** developers have teamed up with some of the world's finest fantasy illustrators to present to you these lavish, high-quality collector's series art prints and canvases. Featuring the brilliance of Greg Staples, Scott Fisher and Donato Giancola, this first set of five pieces features 5 icon Magic creatures.

These pieces are available two ways:

**18"x24" prints with mattes, and a Certificate of Authenticity, for \$49 each**

*and*

**18"x24" canvases with black wood frames, and a certificate of Authenticity, for \$299 each.**

Choose from the following classics. Or avoid such a tough decision and purchase all five. (*click on print or canvas to get a closer look at what they will look like*)
