# Visions' Triangle of War

We step away from [Ravnica](#) for a moment for a factoid from long ago.

The land of Jamuraa, the setting of the *Mirage* block, was ruled by three powerful nations: the militaristic Zhalfirins, the faithful Femeref, and the traders of the Suq'Ata empire -- each a splinter group of the Zhalfir kingdom that once dominated the entire continent.

Many elements of Zhalfirin culture show up in cards from the *Mirage* block (*Ancestral Memories*, *Bay Falcon*, *Dread Specter*, *Femeref Archer*, *Zhalfirin Crusader*). It's clear that Zhalfirins ruled through a combination of religious zealotry and military might.

The *Visions* card *Triangle of War* represents a Zhalfirin symbol of war.

**"The Zhalfirin war triangle represents a trinity of might, faith, and guile."**

That triangle symbol also inspired the *Visions* expansion symbol, conveniently shaped like the letter "V."
