Ravnica Avon Sketches

Magic Arcana
 Thursday, November 3, 2005

John Avon didn't *only* contribute land art to *Ravnica: City of Guilds* (see, for example, [Halcyon Glaze](#)), but he is of course well-known for his gorgeous and fantastic landscapes. Here are some peeks at John's line drawings that became *Ravnica's* guild cycle of common, double-mana lands. Click the links below each sketch to see the full, final art, and click the card name to see the Gatherer window of the final card.
 (Depending on your connection speed, the art may take a few moments to change.)
