# Concerted Effort

Magic Arcana  
 Thursday, November 17, 2005

The *Ravnica* card **Concerted Effort** is all about sharing -- for the purpose of butt-kicking.

As you can see in Michael Sutfin's art below, the card depicts a Boros soldier and angel. The soldier begins to launch from the ground on the strength of his ghostly new set of wings -- a "copy" of the angel's wings. The angel holds high her sharp new polearm -- a "copy" of the soldier's weapon.

Concerted Effort art by Michael Sutfin

This represents how the enchantment grants your creatures' abilities to each other -- flying and double strike, for example. Sharing is caring! (And nothing says "caring" like free double strike.)
