# Ravnica Hunted Tokens 2

Magic Arcana  
 Thursday, December 1, 2005

As we've seen before, original art is often commissioned for the tokens of token-generating cards, either for Magic Player Rewards prizes or to serve as the visuals for *Magic Online* creature tokens.

Way back during *Ravnica* previews, we showed you the [first set of token art](#) for *Ravnica*'s Hunted creatures. Today we show you the rest.

When your opponent plays out the two-mana 7/7 trampler **Hunted Horror**, you get a pair of 3/3 pro-black hunters. Centaurs, to be exact:

*Ravnica Centaur token art by Martina Pilcerova*

Speaking of horrors, you get a 4/4 one when your opponent graces his board with the 5/5 flying **Hunted Lammasu**. Note how you can see the **Hunted Lammasu** up above the Horror:

As a bonus, here's the art commissioned for the *Ravnica Spirit* token, generated by **Transluminant** and **Twilight Drover**:

*Ravnica Spirit token art by Dave Allsop*
